

GADEN TROUT HATCHERY

FEED THE TROUT!

An exciting activity for kids & new comers to the area. Feed big trout in their natural habitat. We sell burley to feed the trout in store.

SHELTERED BBQ'S

There are two sheltered BBQ areas, each with ample seating & two hotplates with a simple 'Push & Hold' start function.

PLATYPUS SIGHTINGS

Near Paddy's Corner & down river along the walking track of Thredbo River, there are platypus that have made the Thredbo River their home. You might see them floating on the surface occasionally, or feeding on the surface bugs, so keep an eye out.

DUE TO RENOVATIONS TOILETS ARE CURRENTLY CLOSED. PLEASE PARK IN THE FIRST CARPARK ONLY.
